

OUTDOOR

PAVER COLLECTION

2026

Over recent years, outdoor living has become more important than ever. As homeowners look to make the most of their gardens and exterior spaces, the evolution of 20mm porcelain pavers has opened up exciting new possibilities in design and performance. Today's advanced manufacturing techniques allow for beautifully crafted finishes that combine style, durability and practicality — giving you the freedom to create a truly bespoke outdoor environment.

Whether you're transforming a patio, pathway, terrace or full garden landscape, our expanded 2026 porcelain paver collection offers a solution for every vision. From rustic stone effects and warm, natural tones to sleek, contemporary surfaces with clean architectural lines, each range is designed to help you shape an outdoor space that reflects your personal style.

Available in 60x60x20mm, 60x90x20mm, 60x120x20mm and new modular sizing options, our complete collection can be explored within this outdoor paver catalogue.

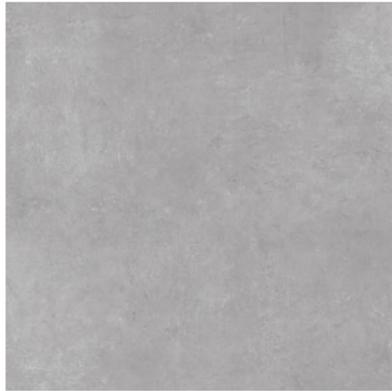

Keep an eye out for the 'New for 2026' icon, highlighting the latest additions to our range — freshly launched for the season ahead.
